Hi Linda –

In follow-up to our conference call last week, I am attaching three unsigned, draft Permit Transfer Modification forms, one each for the Merrimack, Schiller and Newington Stations. We have used December 29, 2017, in the draft documents as the date of permit transfer based on your reported expectation that the closing for sale of the facilities will happen by then. If the closing happens on a different date, we would change the date in the documents, accordingly.

We hope this is helpful to you.

Thanks.

- Mark
